Facilitator Training Series Level 3: Mastering the Family Peace Initiative Approach

Bringing everything together that has been learned in *The Art of Facilitation* and *The Affective Component* in BIP, this workshop is hands-on with application! Those attending will have increased understanding of the core processes inherent in the FPI approach.

Designed for facilitators who intend to be part of an elite group of professionals, participants will practice using tools and processes that bring the group process to life. Attendees will receive the extensive Family Peace Initiative Tool Chest* which contains a growing list of tools and skills that, once mastered, will take facilitators to an entirely new level of competence. Our newest training, this 2-day experience has been described as, **“the one that I’ve been waiting for!”**

Mastering the Family Peace Initiative has been designed for the facilitator who is striving toward mastery. Attendees will leave with a new set of competencies and a direction on how to continue improving.

Participants in this high energy opportunity will learn:

- How to Trust the Process
- Using Battering Motive for Safety Planning
- The Power of Storytelling in BIP
- Addressing Parenting in BIP
- The “River of Cruelty” Expanded
- Expert Self-disclosure in Group Work
- The Use of the “Conflict Tree” in Managing Challenging Situations.
- And much more!!

* All attendees in this training will receive a copy of the Family Peace Initiative Tool Chest. This is a 45 page book that details many tools, strategies and rationale for *The Family Peace Initiative Approach*.

“Thank you FPI for all you have to offer, I am professionally and personally a better person because of you.”
